Attn: Bradford Residents

The Village is pleased to announce our enrollment in One Call Now.

One Call is a system designed to get information out to our residents in a complete and efficient way by using both telephone and/or text messages. Our program will allow 3 phone numbers per household to be enrolled and there will be no cost to enroll. Phones numbers can be either landline or mobile. By choosing a mobile number you will automatically be enrolled in text messaging.

We encourage you to enroll by completing the information below and returning to the Village Office in the box located at the North side of the office.

Please forward any questions to the office:
